## OPEN CALL FOR RDA/EOSC FUTURE DOMAIN AMBASSADORS Second Round

**Do you want to represent your field as an Open Science Ambassador?** We are creating a network of experts to help us understand the different needs of domain-specific research communities. Become an Ambassador and tell us how EOSC can improve research sharing in your field!

**Are you from any of the following communities?** We are particularly interested in receiving applications from:

Agriculture, Forests and Fisheries
Astronomy
Biodiversity
Bioinformatics
Chemical Sciences
Cultural Heritage
Earth and Related Environmental Sciences
Health Ageing Retirement

Librarianship, Archival Science, and Information
Science
Linguistics
Materials Sciences
Open Government Sustainable Development Goals
Scholarly Communications
Wind Energy
