Subject: RDA VP22 - Updating Your Session Webpage

Dear VP22 Session Chairs,

It has come to our attention that some group chairs have updated their VP22 session agendas directly on the old website <https://archive.rd-alliance.org>.

Whilst we understand the need to refer to content on the archived website during the transition to the new one, we must ask that any updates to sessions are communicated to the Secretariat. This will ensure any changes are implemented on the new website.

As per the notification email sent out on [30 April](#), VP22 session proposal changes must be communicated to vp22enquiries@rd-alliance.org by 9 May.

Kind regards,
Irina Hope
RDA VP22 Organising Committee Member
