Plan visibility settings

- Private: restricted to me and my collaborators
- Organizational: anyone at my organization can view
- Public: anyone can view on the web
# Organizational plans

## University of California, Office of the President (UCOP)

### My dashboard

The table below lists the plans that you have created and that have been shared with you by others. You can edit, share, download, make a copy, or remove these plans at any time.

<table>
<thead>

Machine-actionable plans

• How much information in a plan needs to be shared/exposed?
• Shifting focus from exposing complete pdfs of plans to identifying what minimal info is required for maDMP use cases
