Subject: IDW 2025 Program Revealed!

Dear RDA P25 [IDW 2025] session chairs,

We're looking forward to welcoming you in person to Brisbane, Australia, for **International Data Week 2025**.

The focus of the IDW 2025 is on creating an engaging in-person experience and enabling interaction, exchange and networking - we are excited to have you there. ***Below are some updates and reminders to help you prepare for your session and journey to Australia.***

Update session speakers:

Please update your session applications with the names of in-person speakers. Use [this guide](#) on how to access and edit your session.

Programme announced:

We're pleased to share that the [IDW 2025 program is live](#) which combines the RDA 25th Plenary 25 and SciDataCon 2025 programmes.

Early bird (discounted) registration closing soon:

The early-bird in-person registration rate is closing soon. Please ensure that you register **before 15 July 13:59 UTC** to receive the most cost-effective rate. [Register today!](#)

Presentations:

It is the responsibility of session chairs to collate presentations of all speakers in their session. IDW 2025 requires all presentations to be uploaded into the nominated shared drive by **Monday 6 October 2025**.

The link to the shared drive and templated presentation slides will be available soon.

Visa reminder:

A valid visa is required for all visitors to Australia ([read more about visas and the exceptions](#)). Once you complete your IDW 2025 registration, delegates will receive a letter of invitation to the IDW 2025. It is the responsibility of each delegate to arrange their own visa.

Share your session:

Help us share the news about IDW 2025 to get maximum attendees to your session! You are invited to share our posts on [X](#), [BlueSky](#) and [LinkedIn](#) with your network. We invite you to use the "I am speaking at" graphic, which can be downloaded on the [promotional toolkit](#).

If you have any further questions, please contact secretariat@rda-foundation.org.

Kind regards,
Irina Hope
